

The PayDay/Town Mountainzone connects the mountain to Park City's historic Main Street via the Quit 'N Time and Creole runs and the Town lift. This Mountainzone offers the King's Crown and PayDay terrain parks, the lighted PayDay run for night sking/riding and the NASTAR course. The PayDay/Town Mountainzone is served via the PayDay Hi-Speed Six-Pack and Town lifts.

The Crescent Mountainzone is the gateway to the mountain, providing access to over 2,000 acres of skiing and riding. This zone offers very diverse terrain as it services our main beginner learning area and some of our premier Signature Runs®. This mountainzone also accesses the Eagle Superpipe and Pick 'N Shovel terrain park. The Mountainzone is served via Crescent Hi-Speed Quad. Three Kings and First Time lifts.

The King Con Mountainzone provides the most intermediate terrain on the mountain. The immaculately groomed runs are great for carving perfect turns and the ungroomed terrain is ideal for learning to ski/ride the moguls. Our new advanced run, Vista, provides amazing views and is accessible from Temptation run. King Con Mountainzone is served via the Eagle, Silver Star and King Con lifts.

The Silverlode/Bonanza Mountainzone is perfect for all ability levels. Homerun, the longest run at the resort begins in this zone and allows beginner skiers/riders

The Thaynes/Motherlode Mountainzone is the most underutilized zone and has some of the best advanced skiing/riding. This Mountainzone is served via the Thaynes

The McConkey's/Pioneer Mountainzone is perfect for those looking to challenge themselves. Featuring a variety of hikes from the tops of McConkey's and Pioneer lifts it also offers off-trail and tree skiing/riding. For intermediate skiers/riders Georgeanna run is an ideal spot for taking scenic pictures. This Mountainzone is served via the McConkey's Hi-Speed Six-Pack and The Jupiter Mountainzone features a large variety of hike-accessed terrain, backcountry-style experiences, wide-open meadows, challenging steeps and big powder stashes. It's the place to be after a big snowfall. This Mountainzone is served via the Jupiter lift and is for expert-only skiers and snowboarders.
